LOCATION

The subjects are located within Altens Industrial Estate, the premier south-side industrial location, approximately 2 miles south of the city centre. The estate benefits from direct access to Wellington Road (A956) which in turn facilitates transport links to the A90 trunk road.

The subject property is well located on the south side of Souter Head Road, which connects directly with Wellington Road (A956) at the Souter Head Roundabout.

DESCRIPTION

The subjects comprise two detached industrial units with a tarmacadam yard area.

The larger unit, Building 1, is of steel portal frame construction with brickwork to dado height and profile metal cladding externally under a dual pitched metal roof. Internally, the property provides warehouse space plus a mezzanine with an adjoining single-storey office block which provides office and amenity accommodation. Vehicular access is provided by three level access doors. The unit benefits from an eaves height of 5.06m rising to 7.62m at the apex. Externally, the unit benefits from a tarmacadam yard and a parking area to the north elevation which can accommodate 19 cars.

The smaller unit, Building 2, is of steel portal frame construction with blockwork to dado height and profile metal cladding externally under a dual pitched metal roof. Internally, the property provides warehouse space with an adjoining single-storey office block which provides office and amenity accommodation. In addition, there is a mezzanine. Vehicular access is provided by two level access doors. The unit benefits from an eaves height of 6.11m rising to 7.28m at the apex. Externally, the property benefits from a tarmacadam yard and a parking area to the north elevation which can accommodate 12 parking spaces.
